## Art Classes

### Craft and Create

**Mondays 3:30-4:30pm Ages 5-7**

This class is all about creativity and self-expression. Students will explore a variety of hands-on art projects including painting, collage, sculpture, and seasonal crafts using materials such as paint, paper, clay, and mixed media. Projects are adaptable for both younger and older children, so everyone can feel successful and proud of their work. Along the way, students will learn basic art skills like cutting, gluing, coloring, and simple design while developing fine motor skills, problem-solving abilities, and confidence in their own artistic ideas.

### Face Painting

**Mondays 4:45-5:45pm Ages 9+**

Join us for a colorful and creative face painting class designed just for kids! We'll start with the basics, learning simple techniques and fun designs that are perfect for beginners. As we go students will have the opportunity to share what they are most excited to learn next. Whether your child loves animals, monsters or fairytales, they'll enjoy expressing their imagination through face paint art!

### Cartoon Art

**Tuesdays 3:30-4:30pm Ages 5+**

In this creative class, students will design their own fun characters by exploring body shapes, expressive faces, hairstyles, and emotions. They'll learn how to add personality through clothing, accessories, and special powers while bringing their ideas to life with markers, colored pencils, and crayons. Each class includes guided drawing lessons and creative exercises, and students will finish with their own cast of characters and skills to keep creating at home.

## Art Classes

### Drawing and Painting Animals Wednesday 3:30-4:30 Ages 5+

This dynamic art class invites young artists to explore the fascinating world of animals through creative expression. Students will develop observation skills, artistic techniques, and a deeper appreciation for animals as they bring creatures of all kinds to life on paper. Each session introduces age-appropriate drawing methods using a variety of media including pencils, crayons, markers, and watercolors. From basic shapes to detailed textures, students will build confidence while discovering their unique artistic voice.

### Illustration - Traditional and Digital Wednesdays 5:30-6:30pm Ages 9+

In this engaging, hands-on art class, students will explore how ideas become detailed illustrations while having fun experimenting and creating. We'll start with the basics of sketching and drawing, then learn how to stylize artwork into unique, personal illustrations. Students will try a variety of traditional materials like pen and ink, printmaking, and painting, discovering textures and techniques that make their work stand out. We'll also combine these skills with digital illustration on the computer, learning how to refine and enhance artwork digitally. Through guided lessons and creative projects, students will build confidence, develop their own style, and leave with finished illustrations they're proud of.

### Mixed Media Art Thursdays 3:30-4:30pm Ages 5+

In this innovative mixed-media course, students will bridge the gap between traditional artistic techniques and digital creation, learning to seamlessly blend both worlds. Through hands-on projects, young artists will discover how classical art methods can enhance digital work and vice versa, fostering creativity and technical skill development.
